Cover lifters

13. Cover lifter

For aluminium covers with center hole. Per unit.
Article: S1.T0135

14. Cover lifter

For brass covers and for covers that are clad with flooring material; suction cup type. Per unit.
Article: S1.T0137

Cover lifter, ø 85 (not pictured)

Used for big covers.
Article: S1.T0138

Floor anchors

1. Concrete expansion anchor

With M10 eyebolt. Per unit.
Article: S1.T0136

2. Floor anchor set

Set of 2 brackets with tensioner knobs and 2 floor plates, for 1 handball goal.
Article: S6.S3005

Floor anchor set

Set of 4 anchoring clamps with tensioner knobs and 4 floor plates, for 1 handball goal type S6.S3010.
Article: S6.S3007

3. Floor anchor set

Set of 4 brackets with tensioner knobs and floor plates, for 1 IHF approved handball goal.
Article: S6.S3006

4. Fixed floor hook

Low model. To be bolted to concrete slab. Complete with expansion anchors and bolts. Per unit.
Article: S1.T0131

Fixed floor hook

High model. To be bolted to concrete slab. Complete with expansion anchors and bolts. Per unit.
Article: S1.T0129

Oversized floor sleeves

For existing floors, or for situations where thickness of floor slab is insufficient, an oversized floor sleeve can be installed, into which the floor socket can be embedded afterwards.
